

TIONG BAHRU PARK

Trash disposal point

Updated as at March 2024

Tiong Bahru Road

Instruction to Access CleanPod

- 1) Push the button [REDACTED] on the key pad to unlock.**
- 2) Items in the shed:**
 - 2 heavy duty carts, two plastic containers with 50 metal tongs each
 - 25 Grabbers
 - 50 pails as replacement for trash bags (or prepare own trash bags if necessary)
 - 30 small plastic tongs for young children
 - 3 weighing scales (please remove battery after every use)
- 3) Collect the necessary tools and place them on the heavy duty cart. You may bring the cart to the meeting point for distribution**
- 4) Upon completion of clean-up, consolidate all the collected litter in trash bags and dispose at the designated point marked in the map.**
- 5) Wash and dry all items. Please ensure no collection of water on the items to prevent rusting or mosquitoes breeding**
- 6) Return all items to the CleanPod and KEEP IT TIDY for the next user.**
- 7) Lock it by pressing down all numbers on the key pad .**
